

Demolition work at various locations near Fraser Hwy

To prepare for the construction of the Surrey Langley SkyTrain, early works are underway in the area. Demolition of existing structures, including utility disconnections, tree removal, hazardous material abatement, and other miscellaneous activities, will take place at several properties along Fraser Hwy in your area.

What to Expect

Timing

- Construction activities are expected to begin July 2, 2024, and continue intermittently until Tuesday, September 13, 2024

Hours of Work

- Monday to Friday from 7 a.m. to 8 p.m.

Locations

- 15181 Fraser Hwy (*previous Mr. Lube building*): full demolition is expected by July 9, 2024* (Map A below)
- 15093 Fraser Hwy (*previous Fleetwood Bottle Depot*): full demolition is expected by July 30, 2024* (Map A below)
- 14862 92 Ave: full demolition is expected by August 30, 2024* (Map B below)
- 14881 Fraser Hwy: full demolition is expected by August 30, 2024* (Map B below)

Traffic

- Intermittent right lane closure on Fraser Hwy between 150 and 148 Street.

Impacts

- There may be a temporary increase of noise while this work is taking place.

*The work plan and schedule are subject to change. Refer to maps below for approximate work location.

Thank you for your cooperation and understanding.
