

Notice of Evening Work Near 201A Street and Industrial Avenue

To prepare for construction of the Surrey Langley SkyTrain, crews are starting early works on the site where the future 201 Street Propulsion Power Substation (PPS) will be located. A PPS supplies electrical power to the SkyTrain system. Materials for gravel surface treatment work will be delivered via Industrial Avenue from 203 Street and stockpiled on the site outside typical working hours.

What to expect

Dates

- July 16 to July 22

Hours of work

- Monday to Friday – 3 p.m. to 11 p.m.

Location

- Industrial Ave and 201A Street

Traffic

- No disruption to vehicle traffic is expected.

Impacts

- There will be a crew of workers including equipment (example: large trucks) entering and exiting the site to complete the work.
- There may be a temporary increase in vehicle noise while this work is taking place.
- Little to no dust is expected. A dust mitigation plan is in place if necessary.

**The work plan and schedule is subject to change.*

Thank you for your cooperation and understanding.
