

Lane Closure on Fraser Highway between 150 and 170 Street

To prepare for the construction of the Surrey Langley SkyTrain, early works are underway in the area. Existing streetlights on the south side of Fraser Highway between 150 and 170 Street will be removed and temporary streetlights will be in place until permanent streetlights are installed as part of the project. The workplan and schedule is subject to change.

Map: Approximate work area (shown in red) along Fraser Highway.

What to Expect

Timing

Construction activities are expected to take place on August 26, 2024 (*Updated: Previously August 12, 2024*) over one shift.

Hours of Work

6:30 a.m. to 8 p.m.

Traffic

There will be an intermittent eastbound lane closure that will shift depending on the exact location of work taking place within the work area. One lane will always remain open.

Impacts/Interruptions

Pedestrian and cyclist access may shift but will be maintained. Please obey all directions given by Traffic Control Personnel as minor sidewalk stoppages may be required.
