

Vegetation management at 15079 Fraser Highway

Map: Approximate work area (shown in red) at 15079 Fraser Highway

To prepare for the construction of the Surrey Langley SkyTrain, early works are underway in the area. Vegetation management activities, including tree removal, will take place at 15079 Fraser Highway.

This location is a future site office that will accommodate staff and workers of SkyLink Guideway Partners. The Project site offices include mobile trailers, storage space, several parking areas, fencing, security, lighting, and other features. The workplan and schedule is subject to change.

What to Expect

Timing

Tree removal activities are expected to begin during the week of August 26, 2024, for up to three shifts.

Hours of Work

Monday to Friday from 7 a.m. to 8 p.m.

Traffic

No traffic impacts are anticipated for this work.

Impacts/Interruptions

There will be a temporary increase of noise from equipment while this work is taking place.

Machinery and climbing arborists will be on site.
