

## Weekly Traffic Advisory: January 13, 2025 – January 19, 2025

Surrey Langley SkyTrain construction is underway, including utility work, vegetation management, roadworks, foundation construction, and other miscellaneous activities.

This advisory outlines traffic pattern changes during the week of January 13, 2025 – January 19, 2025. Workplans and schedule are subject to change.

Please note that single lane traffic on Fraser Highway between 138 Street in Surrey and 203 Street in Langley, is expected in both directions until project completion. There will be intermittent, short-term, lane closures on approaches to intersections. These may not be reflected in this weekly traffic advisory. Cyclists can expect changes to cyclist lanes and multi-use paths along Fraser Highway while construction is underway. We have included information for cyclists in this advisory for planned traffic pattern changes.

Information about traffic impacts related to BC Hydro work to relocate power lines can be found at: [bchydro.com/skytrain](http://bchydro.com/skytrain).

**Section 1 | 138 Street to 152 Street**

CURRENT TRAFFIC CHANGES				
Location	Traffic Change	Schedule	Date	Project Contractor
Fraser Highway between 140 Street and 148 Street	Eastbound and westbound left lane closures. One lane	24/7	In effect until spring 2025	SkyLink Guideway Partners
