

Full Closure: Fraser Highway between 140 Street and 96 Avenue

Construction for the Surrey Langley SkyTrain is underway. To accommodate the construction of Green Timbers Station, which will be built directly above Fraser Highway, a full road closure is required. Activities include construction of new utilities to supply power for the future SkyTrain, roadwork, foundation construction, and guideway and station construction.

To safely accommodate this work, Fraser Highway will be closed between 140 Street and 96 Avenue, from April 1, 2025, to the end of October 2025. The full closure includes vehicle travel lanes, sidewalks, and multi-use pathways. The primary alternate route is 96 Avenue.

In addition, there will be intermittent overnight closures of Fraser Highway vehicle travel lanes between 96 Avenue and 148 Street. These intermittent overnight closures (8 p.m. – 5 a.m.) will be in place as required. Vehicles travelling on Fraser Highway will be directed to 96 Avenue via 148 Street.

Traffic control and signs will be in place to direct vehicles, cyclists, and pedestrians to alternate routes.

Please refer to TransLink signage and their website (TransLink.ca) for the latest information about bus service in this area.

Updates, including timing of overnight closures, will be included in our weekly traffic advisory, available on our website.

What to Expect

Timing

April 1, 2025, until the end of October 2025. This timing is subject to change.

Hours of Work

Full closure between 140 Street and 96 Avenue in effect 24/7.

Overnight closure between 96 Avenue and 148 Street from 8 p.m. to 5 a.m. as required.

Traffic

Full closure of Fraser Highway between 140 Street and 96 Avenue. Intermittent overnight closures from 96 Avenue to 148 Street, as required.

Impacts/Interruptions

Drivers may experience longer than normal travel times due to increased traffic volumes on alternate routes. There may be a temporary increase in noise while this work is taking place.
