

Traffic Update: Utility locate activities on Langley Lane (Laneway east of Fraser Highway and south of Highway 10)

Construction for the Surrey Langley SkyTrain is underway. Activities include early works to prepare for construction of the future SkyTrain, including foundation and guideway construction.

The following activities will take place during the week of March 31, 2025:

- Survey activities to confirm the locations of existing utilities in the area.
- Equipment will include an excavator, hydrovac truck and other tools.
- Single lane alternating traffic will be in effect. Traffic control personnel will be in place to direct traffic.
- Access to businesses and the laneway will be maintained at all times.

Map: Work area for upcoming utility locate activities.

What to Expect

Timing

Expected to start March 31, 2025, for up to three days.

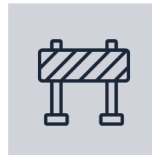

Hours of Work
