

Traffic Update: Intersection Work at Fraser Highway and 156 Street

Construction for the Surrey Langley SkyTrain is underway. Activities include construction of a new utility crossing, within the intersection of Fraser Highway at 156 Street, to supply power for the future SkyTrain.

Map: Lane closures and turning restrictions on Fraser Highway at 156 Street.

To support this work, the following traffic pattern changes will be in effect from May 20, 2025, until May 23, 2025, at the Fraser Highway and 156 Street intersection:

- There will be no access from Fraser Highway to 156 Street northbound, including through traffic on 156 Street.
- No left turns from 156 Street southbound to Fraser Highway eastbound.
- Alternate routes are available via 88 Avenue.
- Pedestrians will be detoured around the work area using available crosswalks and support from traffic control personnel, as needed.
- Single lane traffic on Fraser Highway is in effect throughout this corridor; one lane will remain open in each direction.
- Access to businesses will be maintained.

Please refer to TransLink signage and their website (TransLink.ca) for the latest information about bus service in this area
