

Construction Update: Night Work at Green Timbers Station (140 Street)

Construction is actively underway for the Surrey Langley SkyTrain project. Our stations and guideway contractors are currently working at the future **Green Timbers Station**, located within the road closure area on Fraser Highway between 140 Street and 96 Avenue. Construction activities include foundation construction using drilled piles, concrete pours, utility work, guideway construction and station construction. To support this work night work is required through the end of October 2025.

Map: Work area at the Green Timbers Station Site

For more details about the full road closure, please view the [notice on our website](#). Night work will occur between 96 Avenue and 148 Street during intermittent overnight road closures through the end of October 2025. Please see our [weekly traffic advisory](#), available on Fridays, for more details.

What to expect:

- Construction activities will occur 24 hours a day Monday through Saturday.
- Work on Sundays and Holidays is permitted from 7 a.m. to 10 p.m.
- Activities include foundation construction, concrete pours, formwork installation, utility work, equipment movements to and from the work area across the 96 Avenue intersection, deliveries and general site activities.
- Equipment in operation includes drill rigs, mobile cranes, excavators, concrete trucks, pump trucks and delivery trucks.
- An increase in noise is expected during these activities.
- Noise levels will be monitored and equipment use will be limited where possible.
- Lighting will be directed away from residential areas.
