

Traffic Update: Overnight Access Change at 166 Street and Fraser Highway

Construction for the Surrey Langley SkyTrain is underway. To facilitate guideway construction, access to 166 Street north of Fraser Highway will be temporarily unavailable overnight. This temporary access change is required for safe and efficient transport of precast concrete segments to the launching gantry for installation on the guideway.

Map: Overnight access change at 166 Street and Fraser Highway.

To support this work, the following traffic changes will be in effect from 8:00 p.m. to 7:00 a.m. starting September 14, 2025, for up to five nights:

- No access at 166 Street north of Fraser Highway.
- Access (right in/right out) maintained just west of 166 Street via the Surrey Sport and Leisure Complex. This temporary access will be opened during the overnight closure at 166 Street.
- Business access will be maintained.
- Pedestrians will be detoured around the work area using available crosswalks and support from traffic control personnel.
- Cyclists will share the vehicle lane through this area.
- Single lane traffic on Fraser Highway is in effect throughout this corridor with one lane open in each direction.

Please refer to TransLink signage and their website (TransLink.ca) for the latest information about bus service in this area.
