

Traffic Update: Industrial Avenue eastbound traffic only, 200 Street to 203 Street

Map: Eastbound traffic only on Industrial Avenue.

Surrey Langley SkyTrain construction is underway. On Industrial Avenue large-scale utility work will begin in October, requiring open-cut construction across the roadway and moving existing utilities in preparation for foundation construction and mobilization of large equipment to the south side. We will provide an additional update before foundation construction begins.

To support this work, significant traffic pattern changes are required. The following traffic pattern changes will be in effect on a 24/7 basis from October 14, 2025, to January 2028:

- Eastbound traffic only on Industrial Avenue from 200 Street to 203 Street. Use 200 Street or 201A Street to access Industrial Avenue.
- Business access will be maintained at all times.
- No street parking will be available on Industrial Avenue.
- Signs and traffic personnel will direct vehicles and pedestrians as needed.

What to Expect
