

### Traffic Update: Overnight closures of Highway 15 at Fraser Highway

Surrey Langley SkyTrain construction is underway. To support guideway work over Highway 15, a section of Highway 15 south of Fraser Highway will be closed for four consecutive nights, from 12 a.m. to 4 a.m., April 14–17, 2026. The first closure begins at 12:00 a.m. on April 14.

A full road closure is required to safely lift and install steel beams (box girders) above the road. This work will take place overnight to minimize impacts on traffic during peak periods.

To support this work, the following traffic pattern changes will be in effect April 14 to 17, 2026:

- Overnight road closure of Highway 15 (12 a.m. to 4 a.m.) between Fraser Highway and 64 Avenue.
- Residential and business access only on Highway 15 north of 64 Avenue.
- Regular traffic detour: 168 Street and 184 Street (see map).
- Truck detour: Highway 10 and Fraser Highway (see map).
- Traffic control personnel will coordinate access in and out of the closure area with residents and businesses.
- Single lane traffic in each direction on Fraser Highway across Highway 15 maintained.

There will be turn restrictions in effect 24/7 from April 7 to 25, 2026 to accommodate construction equipment:

- No right turns from Fraser Highway eastbound to Highway 15 southbound.
- No right turns from Highway 15 northbound to Fraser Highway eastbound.

Map: Overnight closure of Highway 15 between Fraser Highway and 64 Avenue. Please follow detour signs.
